Patterned & Novelty Covers 5 items 12

> **How to order:** quote the product code shown under each item to your ASC representative or contact our trade counter. Seat cover sets and steering wheel covers are universal fit unless the description states otherwise — check the piece count against the seats being covered, and note that vehicles with side airbags in the seat require airbag-compatible covers. Steering wheel covers suit standard 37-39cm wheels. Colours photograph slightly differently to the finished product. Prices are supplied on your current trade price list and are not printed here. Stock subject to availability.
