New and Improved

Anti-Vibration Feet.

Introducing the Ultimate Heavy-Duty Portable Air Compressor!

Engineered for maximum performance, this powerhouse delivers an impressive 180 L/min airflow at 120 PSI, making it the most powerful in its class. Equipped with a cleanable air filter to keep contaminants out and an automatic thermal cut-off switch for motor protection, it's built for reliability. The integrated 150 PSI pressure gauge ensures accurate readings, while the 6-meter high-temp coil hose with an "easy twist" brass connector offers hassle-free operation. Powered by a 1.0 HP, 12V oil-less direct drive motor, this unit is ready for any challenge—whether in extreme heat up to 60°C or freezing conditions down to -55°C. Compact, durable, and efficient—your ultimate solution for heavy-duty air needs!
