Mechanical Fuel Pumps — All Makes 11 items 9

DIESEL LIFT PUMPS

Diesel Lift Pumps & Housings — All Makes 22 items 10

FUEL PUMP RELAYS

Fuel Pump Relays — All Makes 6 items 12

How to order: quote the product code shown under each item to your ASC representative or contact our trade counter. Vehicle applications and OE numbers are a guide only — always check the pump against the original for connector type and pin count, inlet and outlet size, pump length and diameter, and the working pressure and flow rate the vehicle requires. Pumps listed as *with housing* are supplied as a complete in-tank assembly; all others are the pump only, without sender, strainer or housing. Marine and outboard fuel pumps are listed separately and are not included in this catalogue. Prices are on your current trade price list and are not printed here.
