Mirror Bases, Arms & Covers 9 items 13

How to order: quote the product code shown under each item to your ASC representative or contact our trade counter. Vehicle applications and year ranges are a guide only — always confirm the fitment, side (LH/RH) and mirror type (manual, cable, electric) against the unit being replaced. LH and RH of the same model are listed side by side. Prices are supplied on your current trade price list and are not printed here. Stock subject to availability.
